Four (4) weeks prior to the event, the **User** shall be required to submit a complete traffic control plan for approval by the **City**.

Permittee agrees to indemnify and hold the City of Richland harmless from any claims for loss, damage, or expenses arising from any activity under or in connection with this permit. Permittee assures the City that permission has been obtained from persons affected by the street closure, and they do not object. Permittee agrees to erect and maintain signs, barricades, lights, and/or other channelizing devices necessary to protect the public in accordance with the City of Richland's manual on traffic control.

SECTION 5 – ADDITIONAL INFORMATION FOR PARADE PERMIT

Purpose/Name of Parade: _____

Start Location: _____

Parade Route: From _____ to _____

Expected number of groups: _____ Number of floats: _____ Required Map Attached ☐ Yes ☐ No

The parade route shall be determined by mutual agreement of the **City** and **User**, considering all traffic detours and road closures necessary to provide a safe route. Based on the agreed route, the **City** will determine the starting point of the parade/staging area, the location of emergency vehicle access and egress, the location of barriers to be placed (at the **User's** expense), the number of certified flaggers required (at the **User's** expense). Railroad crossing on the parade route shall be avoided.

All parade participants entering a float or vehicle must sign a form specifying that they have reviewed and understand the following rules: all floats must adhere to the minimum and maximum size and height as determined by the **City**, riding on the top of or outside of vehicles without belts or harnesses is prohibited, fire or open flame on any entrant is not permitted, all drivers of all vehicles and floats shall possess and provide proof of a valid driver's license, fire extinguishers, with a minimum rating of 2A-10BC are required on all motorized decorated vehicles, exhaust systems shall extend beyond any and all decorations so that drivers or riders are not exposed to carbon monoxide fumes, all decorative materials are to be fire

retardant, drivers shall have 180-degree vision, all floats must have one spotter in the vehicle whose job it is to monitor activity on the float so that the vehicle operator is not distracted, throwing candy or other objects from the vehicles is prohibited. Walking beside the float and giving out candy/toys is allowed. **City** reserves the right to bar from the parade at any time any entrant not conforming to the rules or refusing to follow the instructions of the police or parade officials. Alcoholic beverages are prohibited on any float or vehicle or on the person of any participant. All floats are to be inspected by the Fire Marshal or other applicable official prior to being allowed to participate in the parade. Animals shall always be under the control of their owners. Entrants shall promptly remove all waste deposited by their animals. No stallions are allowed.

SECTION 6 – TERMS AND CONDITIONS

1. The event sponsor (Permittee) shall defend, indemnify and hold harmless the **City**, its officers, officials, employees, and volunteers from and against any and all claims, suits, actions, or liabilities for injury or death of any person, or for loss or damage to property, which arises out of this agreement or from any activity, work or thing done, permitted, or suffered by the permittee, its employees, contractors, and volunteers in or about the Premises, except only such injury or damage as shall have been occasioned by the sole negligence of the City.
2. The permittee is responsible for costs to stage the event, including but not limited to: traffic control, signs, barricades, cones, flaggers, security, set-up, clean-up, insurance, parking, dust control, and similar obligations.

STREET CLOSURES, BLOCK PARTIES, AND PARADE PERMITS

3. If required, traffic control plan(s) must be submitted by the permittee and approved by the Traffic Engineer Division and Police Department a minimum of (30) days before the event.
 4. All landowners, businesses, and residents having direct or sole access to the street(s) to be closed must be notified prior to the event by the permittee. An acceptable means of access must be maintained for those requesting access during the event.
 5. Once the City approves, this permit shall only be effective for the specific event on the listed date and time.
 6. If the City determines that any terms or conditions of the permit are being violated, the City may revoke the permit and close the event. All costs incurred by the City due to the closing of an event shall be the permittee's responsibility.
